#### INVESTIGATION

On 07/23/20 an attempt to contact the Excavator, Becknell-Coghill's Bobby Coghill (859-393-2207), result in a message stating that this is Bobby, wherein a message was left.

On 07/24/20 Mr. Coghill stated that he was aware that gas facilities were present, he, his two sons and a worker walked the area and this incident location was not marked, the curb stop was covered over and not marked. Mr. Coghill stated that he saw Duke's damage photographs and location marks were present in the photographs, but contends the marks were not visible when excavation began. Mr. Coghill stated that he took no photographs.

On 07/24/20 the Operator, Duke's Jim Collins, stated that the Excavator has refused to pay Duke for the damage. Mr. Collins provided the following documents:

- Project Resource Group (PRG) Invoice: Indicating the Excavator was billed \$647.86 for the damage.
- <u>PRG Damage Investigation Findings:</u> Indicating the service was marked correctly, the damage was close to the gas shutoff valve and was a direct result of a water meter installation/repair by Excavator.
- 10/23/19 Photographs: Indicating the incident location was marked five days before the incident date.
- <u>10/28/19 Photographs:</u> Indicating the damage occurred within the approximant location/"tolerance zone" of 18 inches.

#### Mr. Collins email and documents are include as Attachment 3.

On 07/27/20 Mr. Coghill stated that the curb dox was not marked or exposed, no marks were present and he would have not been digging in the area if there were marks. Mr. Coghill stated that the area was marked five days prior to

the incident date, but rain and pine needles made it difficult to see the marks. It was being explained to Mr. Coghill the preservation of temporary underground facility markers is the excavator's responsibility when the telephone conversation abruptly ended. A Demand Letter requiring attendance to the Damage Prevention Course and payment of the reduced penalty of \$250.00 will be sent to Mr. Coghill.

#### VIOLATION KRS 367.4911

(6) The excavator shall protect and preserve temporary underground facility markers until the scheduled excavation or demolition is completed.

Hello Laura,

The Excavator is claiming no marks were placed on this one. Please provided per-excavation and damage photos along with the <u>final</u> report. Were they billed and did they pay for the damage? If so need documentation.

Thanks,
